

SubCon Industries, the vocational training division of The Rehabilitation Center, is a unique, mission-driven, third-party service company providing employment opportunities for **200 people with disabilities.**

Services Offered:

- 100% auditing, QC testing/inspection & gate keeping.
- Re-packing, sorting, and high-touch jobs.
- Light assembly, disassembly, and re-work.
- Shrink wrapping, labeling, bagging, and kitting.
- Sustainability programs and salvage projects
- Closed-loop reuse and recycling programs.
- Ship direct to your accounts or to end users.

Why SubCon?

- 50 years of experience providing value-added services.
- USA-based, large workforce: 200 people with disabilities.
- East Coast location: 15,000 sq. ft. with ability to expand.
- Reduce inbound/outbound freight costs.
- Maximize ROI on asset/product recovery through improved customer service levels.
- Ideal satellite location to expand your supply chain footprint and increase returns processing capacity.
- Create more customized value-added services offerings to your current and new accounts.
- Corporate Social Responsibility: Get a "social" return on your returns by providing jobs for people with disabilities.
